ABOUT KAL PENN

Kal Penn is the author and narrator of the audiobook *You Can't Be Serious*, available from Simon & Schuster Audio. In this entertaining and refreshingly candid memoir, the star of the Harold and Kumar franchise, *House*, and *Designated Survivor* recounts why he rejected the advice of his aunts and guidance counselors and, instead of becoming a doctor or "something practical," embarked on a surprising journey that has included confronting racism in Hollywood, meeting his future husband, working in the Obama administration and more, through a series of funny, consequential, awkward, and ridiculous stories from his idiosyncratic life.
